Dear Hakan,

I just wanted to thank you so much for making our trip to Istanbul one of the best trips abroad we have ever had. Each night when we came back to our hotel, my daughter would run into the room and say, "Mom, that was so much fun!" Our guide, Riza Yenice, was so knowledgeable. Not only did we see all the beautiful sights, I also felt we learned a great deal about Istanbul's history and culture.

Every detail of the trip was meticulously arranged, right down to dinner recommendations and reservations. Our driver Sarcon (excuse the spelling?) was also top-notch. All we had to do was relax and enjoy ourselves!

I definitely plan to make a return trip, and I look forward to letting you show me some of Turkey's other treasures. In the meantime, I have beautiful pictures and lots of fond memories. Thank you again.

Warmest personal regards,
